

## REMARKS

### **I. Discussion of the Rejection for Obviousness-Type Double Patenting**

Claims 8-24 have been rejected under the judicially-created doctrine of double patenting obviousness-type double patenting as allegedly unpatentable over claims 1-6 of U.S. Patent No. 6,664,276 and claims 1-8 of U.S. Patent No. 6,462,058 in view of Hirschowitz (CA 125:185465).

Terminal Disclaimers over each of the patents cited by the Examiner accompany this response. Therefore Applicants respectfully request withdrawal of the rejection for obviousness-type double patenting.

Applicants note that on page 2 of the Office Action, U.S. Patent No. 5,462,058 was referenced instead of U.S. Patent No. 6,462,058. However, due to the listing of U.S. Patent No. 6,462,058 on the form PTO-892, Applicants believe that the citation on page 2 is a typographical error. Should this not be so, Applicants respectfully request that the Examiner inform them.

### **II. Conclusion**

Reconsideration of the claims and allowance is requested.  
Should the Examiner believe that a conference with Applicants' attorney would advance prosecution of this application, the Examiner is respectfully invited to call Applicants' attorney at the number below.

Respectfully submitted,

Dated: December 21, 2004
